(a) The right of the Association to charge reasonable admission and other fees for use of any recreational facility situated upon the Common Area;

(b) The right of the Association to suspend the voting rights and the right to use of any recreational facilities by any Owner for any period during which any assessment against such Owner's Lot remains unpaid, and for any period not to exceed 60 days for any infraction by any such Owner, or members of such Owner's family, or guests or tenants of such Owner, of the published rules and regulations of the Association;

ARTICLE IV.
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot, by acceptance of a deed therefore, or by

entering into a contract for the purchase thereof, whether or not it shall be so expressed in such deed or in such contract, is, and shall be, deemed to covenant and agree to pay to the Association:

- (1) Annual assessments or charges, and
- (2) Special assessments for capital improvements,

such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment shall be made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person, persons, or entity who, or which, was the Owner of the property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title, unless expressly assumed by such Owner's successors.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, recreation and welfare of the residents in the Properties and for the improvements and maintenance of the Common Area and exterior maintenance, as more fully set out in Article V herein.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be \$300.00 per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the annual assessment may be increased by not more than the greater of: (1) Five percent (5%) or (2) the percentage rise in the Consumer Price Index (published by the Department of Labor, Washington, D.C.) for the month of October preceding the subject year, over the month of October one year prior to that, all without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the annual assessment may be increased over and above the amounts permitted under the preceding paragraph (a), by a vote of not less than two-thirds (2/3) of each class of Members who are voting, in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement on the Common Area, including fixtures and personal property related thereto, and for the cost of exterior maintenance, as set out in Article V herein, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who shall vote, in person or by proxy, at a meeting duly called for such purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Section 3 and Section 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or under Section 4 shall be sent to all Members not less than 30 days nor more than 60 days in advance of such meeting. At the first such meeting called, the presence of Members, in person or by proxy, entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments, with respect to all improved Lots, shall be uniform in amount. Such assessments may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments; and Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area to the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot not less than thirty (30) days in advance of each annual assessment. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether or not the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a particular Lot shall be binding upon the Association as of the date of its issuance by the Association.

Section 8. Effect of Nonpayment of Assessment; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear interest at the maximum legal rate allowable by law in the State of Nebraska, which, at the time of the execution of these Declarations, is sixteen percent (16%) per annum. Should any assessment remain unpaid more than sixty (60) days after the due date, the Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any Court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by non-use of the Common Area or by abandonment of such Owner's Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage, and the holder of any first mortgage on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage thereon is in default, if such Board of Directors determines that such lien has no value to the Association.

ARTICLE V.
EXTERIOR MAINTENANCE

In addition to maintenance of the Common Area, the Association shall provide exterior maintenance upon each Lot which is subject to assessment hereunder as follows:

- (a) Repair and maintenance of roofs, including reroofing.
- (b) Maintenance and repair, including painting, of all exterior walls, with the exception that the Association shall not take care of the repair or replacement of any glass surfaces, including, but not limited to, window glass and door glass, and the Association shall not take care of the repair or replacement of any doors, door openers, and cooling units for air conditioning systems (provided however that the Association shall take care of the painting of the exterior surfaces of exterior doors).
- (c) Maintenance and repair of gutters and downspouts.
- (d) Maintenance of trees and shrubs, lawns, walks, and other exterior landscaping and improvements, except such as may be within the confines of any fenced in area on any Lot.
- (e) Operation and maintenance of an underground watering system.

54-471D

Notwithstanding the foregoing, in the event the need for maintenance or repair of any of the foregoing on any Lot shall result from the willful or negligent acts of the Owner of such Lot, or of such Owner's family, guests, invitees, or tenants, the cost of such exterior maintenance shall be added to and become a part of the assessment to which such Lot is subject.

ARTICLE VI.
ARCHITECTURAL CONTROL

No building, fence, wall, or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition or change or alteration therein be made, nor shall any trees, shrubs, or plantings be planted or maintained upon the properties, until the plans and specifications therefore, showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing, as to harmony of external design and location in relation to surrounding structures and topography, and in relation to other trees, shrubs and plantings, by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by said Board of Directors. If said Board, or its designated architectural committee, as the case may be, shall fail to either approve or disapprove any such matter so submitted, as hereinabove provided, within thirty (30) days after such plans and specifications shall have been submitted, then the Owner submitting such plans and specifications shall be deemed to have received approval thereof, and such Owner may proceed in accordance with said plans and specifications.

ARTICLE VII.
PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of any dwelling upon the Properties, and which is placed on the dividing line between any adjoining Lots, shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repairs and maintenance of any party wall shall be shared by the Owners who make use of such party wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owner or Owners shall thereafter make use of such party wall, such other Owner or Owners shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such Owner or Owners to call for a larger contribution from other Owners under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who, by his negligent or willful act, causes the party wall to be exposed to the elements, shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each Owner involved shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and all Owners shall be bound by any decision arrived at by a majority of all such arbitrators.

ARTICLE VIII.
STAGED DEVELOPMENTS

Additional land within Offutt Towers, a Subdivision in Sarpy County, Nebraska and within Offutt Towers Replat, a Subdivision in Sarpy County, Nebraska, may be annexed and made subject to this Declaration of Covenants, Conditions and

Restrictions, by the Declarant, without the consent of the members, within seven (7) years of the date of this instrument, provided that the FHA and the VA determine that such annexation is in accord with the general plan of development of the area.

ARTICLE IX.
GENERAL RESTRICTIONS AND OTHER PROVISIONS

Section 1. Restrictions. Every Owner shall have full rights of ownership and full use and enjoyment of his Lot, subject to the following restrictions:

(a) The "Protective Covenants" recorded in the office of the Register of Deeds of Sarpy County, Nebraska at Miscellaneous Book 53, Page 638, shall continue to be binding on the Properties, insofar as applicable thereto.

(b) No fences or enclosures of any type or nature whatsoever shall ever be constructed, erected, placed or maintained on any Lot within the Properties, unless such fences or enclosures shall have first been authorized in writing by the Association. No clothesline or clothes hanger shall be constructed on any Lot or used on any Lot outside of a building located thereon, except in patio areas. No exterior television or radio antenna shall be erected on any Lot within the Properties; provided however, that with the written approval of the Association, one or more master television antenna towers may be erected for the benefit and use of all or a part of the Owners of the Properties.

(c) No animals, livestock or poultry of any kind shall be raised or kept on any Lot in the Properties, other than household pets, which shall be limited to two (2) per household. All pets shall be leashed when outside of the residential structure and patio area. No such pet shall be kept, bred or maintained for commercial purposes.

(d) No noxious or offensive activity shall be carried on upon the Properties, nor shall any trash, ashes or other refuse be thrown, placed, or dumped upon any Lot, nor shall anything ever be done which may be or become an annoyance or nuisance to the neighborhood. No outside above-ground trash receptacles or incinerators shall be permitted on any Lot.

(e) No advertising signs or billboards shall be permitted on any Lot with the exception of "for sale" or "for rent" signs, which shall not exceed four square feet in size. Nothing herein contained shall prevent the use of any Lot by the Declarant as a sales and rental office and/or as a model home, and while any Lot is so used, Declarant shall have the right, for itself, or its nominee, to place signs on the premises advertising such office and/or model home.

(f) No trailer, tent, shack, barn or other outbuilding shall at any time be used for human habitation, either temporarily or permanently. This shall not prevent the location of a temporary real estate and/or construction office on any Lot in the Properties for use during the period of construction and sale of the Properties.

(g) The use of private barbecue grills in the Common Area and the outside use or storage of barbecue grills on any Lot shall be subject to regulation, restriction or exclusion by the Association.

(h) No awnings or sun screens of any type shall be affixed to any building or structure on any Lot without the written consent of the Association.

ARTICLE X.
INSURANCE

Section 1. The Association shall purchase and provide insurance with respect to the improvements (residential structures and related structures) in an amount equal to at least eighty percent (80%) of the full replacement value of said improvements or in such an amount as shall be required, from time to time, by any Mortgage holder, whichever is higher, against losses by fire,

lightning, wind storm and other perils covered by standard extended coverage endorsements, and insurance against such other hazards and in such amounts as shall be determined from time to time by the Board of Directors of the Association. Such insurance, however, shall exclude all glass, garage doors and entrance doors. Such insurance shall not cover personal property of any Owner of any Lot, it being the Owner's sole responsibility to provide such insurance coverage. The Association, in addition to the foregoing, shall provide liability insurance for the Association and for its members with respect to the Common Area only, any such liability insurance for the protection of the Owners of any Lots being the responsibility of each Owner.

Section 2. The Association is hereby irrevocably appointed as agent for each Owner of each and every Lot in the Properties and for the holder of any Mortgage on any Lot in the Properties, to adjust all claims arising under insurance policies purchased by the Association on the improvements on the Properties, and to execute and deliver releases upon payment of claims without joinder by any such Owner or mortgagee. All insurance proceeds shall be applied by the Association toward repairing the damage covered by such insurance, provided that reconstruction or repair shall not be compulsory where the damage exceeds two-thirds (2/3) of the value of all of the buildings and improvements on all of the Lots covered by such insurance. In such case, should the Owners so elect not to rebuild, the proceeds, along with the insurance indemnity, if any, shall be credited to each Owner in accordance with such Owner's prorata share of the loss sustained from the casualty for which the proceeds shall be payable and such sums shall be first applied toward satisfaction of any recorded first mortgages against such Lots, next toward satisfaction of junior recorded liens in order of their priority, next toward the cost of razing the improvements or any remnants thereof from said properties, and the filling and leveling of any of said Lots, as needed, and the remainder shall then be paid to such Owner's of such razed properties on a pro-rata basis. In case the insurance proceeds do not equal the cost of repairs or rebuilding, the excess cost shall be considered a maintenance expense to be assessed and collected by the Association from the Owner's of the damaged improvements. In any cases of over insurance, any excess proceeds of insurance received shall be credited to the working fund of the Association.

Section 3. Each Lot Owner may obtain additional insurance for such Lot Owner's own benefit and at such Lot Owner's own expense.

ARTICLE XI.
ACCESS

The Association, its officers, employees and agents, and contractors and repairmen designated by the Association, shall have the right to go on any Lot for the purposes of performing maintenance and repair, making inspections and performing the duties of the Association hereunder, and the Association is hereby granted a specific easement for such purposes.

ARTICLE XII.
UTILITY METERS AND SERVICE LINES

In order to facilitate the installation and operation, maintenance and repair of an underground watering system, such Lots as shall be designated from time to time by the Association shall have a dual metering system for water, so as to permit the drawing of water for watering of the lawns, shrubs, trees and other vegetation located upon the Lots and upon the Common Area; it being understood that the amount of water metered for such purposes shall be paid for by the Association, with only the water metered for the residential structure on any such Lot being paid for by the Owner of such Lot.

Each Lot, other than the Common Areas, shall have a separate water, electric, gas and/or other applicable utility meter, and shall be serviced by separate utility service lines.

ARTICLE XIII.
GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure of the Association or of any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one or more of these covenants or restrictions, by judgment or court Order, shall in no way affect any other provisions, which other provisions shall remain in full force and effect.

Section 3. Amendment. This Declaration may be amended at any time by during the initial twenty (20) year term referred to in Section 4, hereafter, by an instrument signed by the Owners of not less than ninety percent (90%) of the Lots then covered by this Declaration, and thereafter by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots then covered by this Declaration. Any such amendment shall be valid only upon its being recorded in the same manner as Deeds shall be recorded at such time.

Section 4. Term. The covenants and restrictions contained in this Declaration shall run with the land, and shall be binding for an initial term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years each.

Section 5. FHA/VA Approval. As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration (FHA) or the Veterans Administration (VA):

- Annexation of additional lands to the properties covered by this Declaration
- Dedication of Common Areas
- Amendment of this Declaration of Covenants, Conditions and Restrictions.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein, has executed this Declaration of Covenants, Conditions and Restrictions this 23rd day of July, 1981.
